Terms and Conditions

- Hardware payment: 100% in Advance

Legal Notice: This invoice is issued in accordance with EU VAT Directive 2006/112/EC and Spanish VAT legislation. In line with Article 196 of the EU VAT Directive, the reverse charge mechanism applies to intra-community transactions, meaning the customer in Italy is responsible for declaring the applicable VAT in their country ("Operazione soggetta a inversione contabile - VAT to be accounted for by the recipient"). Payment is due within 15 days from the invoice date, and late payments may incur interest as per applicable regulations. This invoice is governed by the laws of Spain.
